As a community bank, Peoples State Bank is proud to support local charities, county fairs, community events, and local businesses. When you become a part of Peoples State Bank, you can be confident that you're standing with a good cause, which is one of the many reasons why we support Fennimore Area Chamber of Commerce. Being part of the Chamber is a great way to get out and meet new people from other businesses, as well as being one of the first to know of new businesses. The Chamber also helps market your business by getting the business name out in the community for people to see. You can be listed in the Chamber Newsletter, The Fennimore Times, and Facebook just to name a few. The Chamber also offers various training opportunities that are available throughout the year. Not only are these training opportunities offered for free, the topics offered vary from session to session, and can fit almost any business. Most importantly, the Chamber wants local businesses to succeed, and often times Chamber members know the importance of shopping local, and supporting other Chamber businesses. I personally enjoy being involved in my community, and supporting Fennimore as a whole. The Chamber offers me the opportunity to volunteer at various events, meet new people, and get Peoples State Bank's name out in our community. Joining is a great way to build relationships with people in Fennimore, and a great way to showcase what your business has to offer. Peoples State Bank is proud to be a member of Fennimore Area Chamber of Commerce, and I am proud to serve as 2019's Chamber President.
